

Endnotes for “Herod, the Great Builder”

Fall 2023 *Bible and Spade*

Notes

¹ Ehud Netzer, *The Architecture of Herod, the Great Builder*, with the assistance of Rachel Laureys-Chachy (Grand Rapids: Baker Academic, 2008). The title of this article is taken from Netzer’s book, as is most of this article’s basic information regarding the layout of each palace. I will provide an endnote only for direct quotes or interpretive opinions of Netzer.
