⁶ Jonathan Moore, another member of the ABR dig staff, completed his PhD at Amridge University in 2023 on evidence of the Israelite conquest. I served as cochair of his dissertation committee. Data from Shiloh and Khirbet el-Maqatir were integral to his dissertation. Henry Smith’s PhD will also be from Amridge. I serve as chair for Jordan’s dissertation committee, and Haskel Greenfield and Gary Byers (Shiloh codirector) serve as committee members.
